Jupiter in June...Out of this World!

The Palm Beach Gardens, Florida chapter of THE GARDENERS OF AMERICA/MENS GARDEN CLUB OF AMERICA is in high-gear, planning the 2005 Annual Convention!

It will take place at the Jupiter (Florida) Beach Resort on June 2, 3, and 4.

Join us for balmy days and tropical nights in South Florida. The magnificent, recently renovated Jupiter Beach Resort is our host hotel. Located right on the Atlantic, it offers beautiful ocean views and lush tropical landscaping.

From the welcome reception on Thursday night to our final dinner on Saturday night, you can be sure of fun-filled, interesting and informative programs and activities, delicious food, and the camaraderie of your Garden Club friends.

Your visit will include tours to local gardens, a not to be missed sea turtle presentation, an in-hotel mini tradeshow featuring gardening and tropical items, and lectures on gardening-related topics by well-known experts.

Your contact for the convention is Gale Langford, Show Chairperson. She can be reached at 561-630-8075, via email at langfordgroup@earthlink.net, or by mail c/o The Langford Group, 7108 Fairway Drive, #280, Palm Beach Gardens, FL 33418
