A Gardener's Calendar**

Produced by The Gardeners of America/Men's Garden Clubs of America.

First produced in 1982, the 2008 issue is the 21st calendar in the present series. Each month and the cover have a beautiful photograph selected from the several hundred prize-winning pictures submitted to the annual TGOA/MGCA Photography Contest. These pictures represent the finest images of gardening and horticulture.

Other features of this professionally produced calendar include:

- ◆ 12 monthly pages for recording daily appointments, etc.
- ◆ National and many other holidays are indicated on each month.
- ◆ Phases of the moon are shown for each month.
- ◆ Several seasonal gardening suggestions are printed for each month.
- ◆ A large USDA Hardiness Zone Map for the USA.
- ◆ A 2009 calendar.
- ◆ How to use the calendar to record garden events & weather, planning next year's garden, and a valuable record of past years gardens if you save it every year.
- ◆ Mission Statement, Objectives and Benefits of TGOA/MGCA membership.
- * 2006 Photography Contest Winners.
